Subject: Service Saturday

Each time a new member joins and is asked why they did so, part of their response is always: *"I want to give back to my community"*. What they really want is to be physically involved in meeting a need. One Saturday each month, Lions will take part in a "hands on" service project in the community. Saturdays will be designated around current club functions, and dates will be known six months to one year in advance. Potential project ideas will be derived with priority from club members, and then from community members who know of a need. From there, a working committee will qualify each project and prioritize the working order. Members will be notified in advance of project specifics via Weekly Lion-up, member services email and club announcements.

Service Saturdays are designed to satisfies a need in the community; Provide positive club exposure in the community; Fill service opportunity gaps on the calendar; Spotlights individual member skills for future endeavors; Assists with member retention and comradery; and collaborate with other service organizations in the area.

Project Criteria:
