How do the Lions serve?

The Lions are driven by five pillars that are the basis of our service activities.

We strive to contribute to these needs through fundraisers and our own members' volunteering efforts.

- **Diabetes** • **Vision** • **Hunger** • **Environment**
- **Childhood Cancer**

"Do More Good Now" is the motto of the River Hills Lake Wylie Lions. Our Lions Club supports more than 25 charitable organizations. The majority of these charities are based right here in our local community and help our neighbors.

Each year we hold fundraising events to raise money for these charities, with our members volunteering to support the projects. As a Lion, you can participate in a Golf Tournament, Pancake Breakfast, Christmas Tree Sales, Community Directory development and more.

One of our most important efforts is called Kidsight. Our Lions visit York County schools, working with the nurses to examine the children's eyes. The Lions have purchased sophisticated computer-aided devices that allow us to scan the eyes of more than 14,000 children in our area. For those who need a referral, the schools send a copy of the Lions' test report to the parents for consultation with their doctor. When required, the Lions provide a voucher for examinations and glasses. Good vision is incredibly important for the health and education of our children.

Are there social opportunities with the Lions?

Yes!

The members enjoy gathering every month for a wonderful breakfast and meeting. Typically, we have 90 members in attendance, so it's a great time to meet your fellow Lions and neighbors. The cost of breakfast is included in your quarterly dues.

We also enjoy occasional dinner meetings. Our holiday parties give you a chance to dress up and dance.

If you love fireworks you can join the Lions as we celebrate the 4th of July on Lake Wylie with great food and music. The night concludes watching the amazing fireworks provided by Camp Thunderbird, one of the many charitable organizations we support.
