

You are invited to the Foundation Fighting Blindness VisionWalk.

The Lions Board invites you to participate with us in the Foundation Fighting Blindness (FFB) VisionWalk. The walk is a fun event featuring a casual stroll to promote FFB's research on finding treatments and cures and supporting the blind and low vision community.

The Foundation Fighting Blindness is one of the charities our Lions Club supports. Let's show them that not only do we support them monetarily but also in our participation in one of their signature events.

Please click on the link below to attend or decline. You can also book family and friends.

Some of our Club members are car pooling from the Community Church parking lot at 9:00 a.m. You are welcome to join them. Otherwise, meet at the Brewery at 9:30 a.m. to join the rest of our Club team to show our support.
