The Future of Edmonton

A City Councillor's Inside Perspective

Join your CCE colleagues and Councillor Time Cartmell (Ward pihêsiwin) for a conversation about the future of our City. Topics will include taxes, project management at the City and population growth. Following his luncheon presentation, the Councillor is happy to answer any questions.

About our Speaker: Ward pihêsiwin Councillor Tim Cartmell was first elected to Edmonton City Council in 2017. Tim is a Professional Engineer and small business owner. He specializes in the structural design and management of building projects, including past projects like the Expo Centre for Northlands and three seniors lodges for the Greater Edmonton Foundation. Prior to serving in public office, Tim also worked for the Government of Alberta's Treasury Board Ministry. During Tim's first term as Councillor, he advocated for investments in Southwest Edmonton's road network. These include the Terwillegar Drive Expansion, Rabbit Hill Road twinning, Anthony Hendy widening and countless other road projects in new southern neighbourhoods.

Tim currently serves as: Chair of Utility Committee; Member of Executive Committee; Member of City Manager Recruitment Committee; Mayor Sohi's alternate for the Edmonton Metropolitan Region Board - Committee of the Whole and Governance and HR Committee; Member of Growth Plan Five-Year Interim Review Task Force - EMRB; Member of the Alberta Municipalities Infrastructure Committee; Member of the Metropolitan Region Servicing Standing Committee; Member of the Board of Directors for the Fort Edmonton Park Management Company; City of Edmonton's Alternate Shareholder Representative for Edmonton Global; Advisor to the Sport Edmonton Council Board of Directors; and Member of the Board of Directors for Do North Events/World Triathlon Series.

Did you know? The Association of Canadian Clubs was chartered by an Act of Parliament in 1939. The first Club was founded in 1893 in Hamilton, by leading Canadian citizens who were worried about the lack of patriotism in the country at that time. Canada was thought to have lost its direction. Sir John A Macdonald had passed away and the young country struggled with four Prime Ministers in five years. Railway expansion had slowed, the economy was in the doldrums and there was little agreement on Canada's future. The needed injection of patriotism came from Charles McCullough and a group of his friends who formed the first Canadian Club. Clubs soon were organized from coast to coast (Edmonton 1906).
