MEMBERSHIP COMMITMENT

I understand that The Woman's Club of Colorado Springs is a philanthropic organization devoted to volunteer service aimed at improving the lives of women, children, and families. As a member, I will devote a due share of my time and energy to become involved with WCCS activities and to support its programs and projects. I understand I will be part of the General Federation of Women's Clubs and its regional, state, and district bodies.

Members have opportunities to develop leadership skills while forming close friendships with women who share their passion for community improvement. They pay annual dues and are asked to attend meetings regularly and to actively participate in our volunteer and fundraising efforts.

Please take some time to consider our mission, our programs, and how you can join in the work with us.
