President's Thoughts November 2026

The end of the year is fast approaching, the final activity the year for all members is our Christmas Lunch on Saturday 5th December. We have had a great response and bookings will close at our Members' Meeting next Tuesday. The final event for the year is My Fair Lady on 23rd of December. The first activity for 2027 is a Picnic in Wattle Park on Wednesday 13th January.
Planning is well underway for tours, activities and events for 2027. There is still time for suggestions from members for new ideas for 2027.
If you would like to assist with any activities in 2027, please record your interest on the form which will be available at the next meeting or give me a call.
The Sausage Sizzle after out last meeting, was enjoyed by our members and Bowling Club members – thanks to the organisers, the cooks and the servers for an enjoyable activity to celebrate Senior's week, Probus Week and the 50 year celebration of Probus in Australia.
Unfortunately the GYT activity to Williamstown was cancelled due to the extreme weather forecast. The activity will be rescheduled in 2027.
The tour to Echuca in April has attracted a wonderful response, probably 30+ participants. Deposits are due by next Tuesday. If you have not registered your interest and would like to join us, please contact me ASAP.
A reminder that we will be voting on the change to our Standing Resolutions at our next meeting, refer to the email sent on November 8. I note there a still a few members who have not opened this email.
Nominations are still open for Committee Membership in 2027. All positions will be declared vacant at the AGM on Wednesday 3rd March. Nomination Forms will be available at our next meeting and must be returned to our secretary by the February meeting on Wednesday 3rd December.
