NEWSLETTER SEPTEMBER 2026

Next meeting Tuesday 22 September at CBC at 10 am.

Speaker – Geoffrey Fong - Osteopath

Subject - 'Use it or lose it'

President's Thoughts

Have put my Probus hat back on after returning from a great holiday in Canada and Alaska and would like to thank those who held the fort in my absence and apologies to those whose emails I ignored.

Unfortunately we will not be proceeding with the proposed tour to the Monarto Open Plain Zoo and the cruise on the Murray Princess. We did not reach the quota of 15 guests needed to run this tour. I am currently looking for a replacement tour. If you have any suggestions please let me know.

There are still a number of members who have not logged onto our new website, or downloaded ClubRunner app on their mobile device. The ClubRunner app, once downloaded, is easy to use and also provides access to the website.

Either Barbara Grufas or I will be in contact with those who are yet to log on. To achieve all the benefits from ClubRunner it is important that the majority of members use the ClubRunner app or access information on the website. I understand there maybe a few, who for a variety of reasons, will choose not to use ClubRunner. We need to identify these people to ensure they are kept informed of the Club's activities.

Members of Victorian Probus Clubs been invited to participate in the filming of Season 4 of the Tipping Point in either October, November or December. Please register your interest at the next meeting. (See full information below).

Judy Nancarrow, President.
