RE: 2018 Dental Hygiene Table Clinics

2018 Dental Hygiene students present:

11th Annual Table Clinics

Saturday, May 26th, 2018

11am -1:00pm

Days Inn, 2515 Mountain Road

Moncton, N.B.

As a part of the students gaining an understanding of the role research plays in evidence based dental health practices, table clinics aim to build critical thinking skills in our dental hygiene professionals. Having worked hard to answer a wide range of current and relevant research questions in dental hygiene, our students are eager to share their findings with you. No RSVP required. We look forward to your attendance.
