## CDAА BMO MasterCard

When you choose the BMO CDAА MasterCard, every purchase you make helps CDAА raise important funds for supporting our Corporate Members in the advancement of the dental assisting profession; advocating in matters of national jurisdiction; and contributing to the oral health of Canadians. With your support, CDAА has become a progressive and unified federation, internationally recognized as a leading dental assisting association.

We have been working with BMO Bank of Montreal for over 20 years and in that time BMO has contributed thousands of dollars to CDAА, thanks to Dental Assistants who regularly use their BMO CDAА MasterCard. If you are looking for great value in a credit card along with AIR MILES or CashBack rewards, apply for a card today.

Make the choice that matters. Please join us to help support CDAА's work by applying today.

*If you already have a BMO CDAА MasterCard, we thank you. Please use it regularly and help support the profession of dental assisting in Canada.*
