### CONNECT. ENGAGE. GROW.

## Built by Rotarians for Rotarians

We know what it takes to have all the right pieces work together, which is why we've designed everything you need, in one centralized platform. Ready to see for yourself?

# Your membership success platform. Trusted by thousands of clubs worldwide.

## Member Directory

Maintain an up-to-date member directory with photos in a secure member area of your site. Each member can update their own profile or download printable directories in Excel, Word or PDF.

## Attendance Manager

Keep track of meeting attendance. Report makeups, exemptions and leaves and generate month end reports. Easily report your attendance to your District.

## Online Payment & eCommerce

Integrated with the Dues & Billing module and MyEventRunner, collect credit card payments online. Process online donations, member dues, and event registrations, to deposit directly into your bank account.

## Email Message Center

Send broadcast emails to centralized groups using our secure email server. Mail merge fields, templates and custom signatures ensure that your correspondence always looks professional.

## Website Designer

Publish a modern, mobile responsive website or integrate ClubRunner into your existing site. Add articles, links, photos, videos and documents quickly and easily.

## Photo Albums

Upload and share photos with your club, community and the whole world! Viewable online in multiple albums with slideshows. Automatic resizing keeps your site fast.

## Contacts Module

Setup and manage non-member lists to track donors, sponsors, prospective members, alumni, etc. Assign labels, categories, and groups. Easily send customized emails and event invitations.

## Rotary International Database Integration

Sync your member data, club and officer changes with RI's database. Compare your member directory between ClubRunner and RI to keep your data accurate.

## Dues & Billing

Create invoices for your members and print or email personalized bills and statements. Track payments, debits, credits, and account balances with built-in reports.

## Custom Reports & Directories

View and download various reports to gain insight into your club. Charts and graphs show you years of service, rule of 85, age and gender distribution, birthdays and anniversaries, and committee involvement.

## Branded Newsletter

Create your own professional club bulletin, customized with reminders and announcements, and email to all members and prospective members with one click.

## Event Calendar & Planner

Plan and promote your events with email invitations, online registrations, and volunteer sign-ups. Print name tags, send follow-up emails and create forms to sell tickets or collect registrations from the public, including credit card payments.

## Committees Management

Organize and manage all your club committees in one place. Post documents for download, create subcommittees and allow committee members to send targeted emails to one another.

## Volunteers & Sign Ups

Create online sign-up sheets to easily allow members and non-members to register for various tasks or responsibilities. Send reminders, run reports and keep track of who's doing what.
