Welcome to MyEventRunner – A Powerful New Addition to Your ClubRunner Subscription!

You already know how convenient it is to take online event registrations through your ClubRunner site. You asked for a better system, and we listened! Introducing MyEventRunner, the new and improved online registration payment module from ClubRunner. Powerful enough to handle your most complex conferences, yet so easy to setup you'll want to use it for even your most basic events.

Feature Highlights

MyEventRunner comes in two versions, Lite and Pro. As a loyal ClubRunner customer, your **Online Payments & eCommerce** module includes the Lite version. This has all the basics needed to run simple events and collect payment. If you would like to upgrade an event to the Pro version, simply order the Pro version for it.

Pro Version Pricing

As a loyal ClubRunner customer, you get preferred pricing if you wish to upgrade to the Pro version of MyEventRunner for certain events. Pricing is just $1 per registration – with no minimum number of registrations, and no setup fees. Need some help setting up your form? For an optional, one-time fee of $199, we will design your form for you based on input you give us. Thinking of processing over 2000 registrations per year? Contact us to inquire about volume pricing.

Credit Card Processing

MyEventRunner is pre-integrated with the **ClubRunner Online Payments & eCommerce** module, to make it quick and easy for you to begin accepting credit card payments safely and securely. For more information on this module, visit www.clubrunner.ca/ecommerce.
