

What does your Rotary brand say about your club?

Connect with your community using ClubRunner's newest Public Relations features.

What does better Public Relations mean for your club?

✓ Better Rotary Branding

With our latest mobile responsive next-gen themes, your website will be in line with Rotary's latest visual identity guidelines, which means a unified look across the board.

✓ Better Exposure

With the all-new Contacts module, managing your various distribution lists is just a click away. Expand your network and community and reach a broader audience.

✓ Better Communication

Communication between members and contacts just got easier with pre-designed templates, giving you a professional look. Keep your audience engaged and informed and generate interest and awareness for all the great work your club does.

*“Rotary has a great story to tell, but we need to tell it in a more unified and consistent way. By partnering with vendors like **ClubRunner**, Rotary members will have the tools they need to communicate to all audiences.”*

- David Alexander,
Director of Rotary's
Marketing and PR Group

Building member engagement

New Features

↘ All-new Bulletin Designer

From pre-designed templates to give you a head start to a live editor so you can see your design come to life, the new bulletin designer makes creating newsletters easy. Send branded emails to members and prospective members with an intuitive step-by-step wizard.

↘ Next-Gen Website Themes

Modernize the look of your website with fresher and newer website themes that are truly mobile compatible. With wider page styles and layout options, image carousels, and more customization options, we've made it even easier to show off your club's unique style.

↘ Contacts Module

Setup and manage non-member lists to track donors, sponsors, prospective members, alumni, etc. Easily send customized emails to segmented groups.

↘ Volunteers Management

Create online sign-up sheets to easily allow members and non-members to register for various tasks or responsibilities. Send reminders, run reports and keep track of your schedule with who is doing what.

↘ Attendance 3.0

Bank and track make-ups, auto-assign makeups, track attendance for honorary members and guests, customize your own attendance rules based on member types, open your own past meetings to recalculate attendance, and much more.

↘ Website Search

Give website visitors the ability to search for relevant content throughout the website.

Enhancements

↘ Contact us widget

Add multiple contact us widgets to your site and direct inquiries to any member of your choice.

↘ Manage blocked emails

Gain more control over your suppression lists and see why certain members aren't receiving your emails and why.

↘ Add registrations to your personal calendar

Sync all commitments to your own personal calendar with the new ICS calendar function.

↘ Limit the number of stories on your homepage

Cap the number of stories you want displayed on your homepage for a cleaner look.

↘ Cancel scheduled emails

Stop queued emails and revert them back to draft mode before they're sent.

Coming Soon

↘ Recurring Events

Set recurring items in your calendar.

↘ Rotary Integration Upgrade

With this new API, we will be able to sync new member additions immediately, support honorary member updates, and integrate many more fields. Stay tuned!

↘ Calendar Feeds

Easily add your ClubRunner calendar to your personal calendar to automatically see club events.
